## Parents,

As we reach the midpoint of the school year, we kindly ask that you take a moment to check your daughter's school skirts for proper fit. As a reminder, girls' skirts should be no more than four inches above the knee, in accordance with our school uniform policy.

Children grow quickly, and what fit well at the beginning of the year may now be shorter than intended. Thank you for helping us maintain a consistent and appropriate learning environment by ensuring uniforms continue to meet guidelines.

*Thank you for your continued support and partnership.*
