What is Rally Foundation?

Rally Foundation for Childhood Cancer Research, a 501(c)(3) nonprofit, empowers volunteers across the country to raise awareness and funds for childhood cancer research to find better treatments with fewer long-term side effects and, ultimately, cures.
We are philanthropic seed investors in the next great discovery and utilize a dual peer review process that supports research at all stages, from the initial idea to clinical trials. With the highest ratings from charity watchdogs, you know you are donating to a nonprofit children's cancer organization for better childhood cancer treatments.

Chapel Offerings
Our chapel offerings for October will go to Rally Foundation.
