How to Car Line at RLS

In an effort to cause the least amount of disturbance to our surrounding neighborhood, only enter from areas indicated on map.

School issued car tags should be displayed as instructed

Pull to the first open station

Place car in park when stopped at your station

DO NOT exit your vehicle while in car line

Students will enter vehicles from passenger side **ONLY**

VPK parents will sign VPK book through the passenger side window

Right turn **ONLY** when exiting parking lot

NO CELL PHONES ARE ALLOWED DURING CAR LINE

PLEASE DO NOT ALLOW CARS TO CUT IN FRONT OF YOU.
This affects our student call out and causes everyone to have to wait longer.

STAFF WILL NOT ASSIST IN SECURING SEAT BELTS

Parents should exit car line and pull into an open parking space to secure safety belts before exiting the parking lot.

ONCE A STUDENT HAS ENTERED THEIR CAR THEY CAN NOT RETURN TO THE BUILDING FOR FORGOTTEN ITEMS.

You must park and wait in your car until car line is over to reenter the building.
Student must remain in car while waiting.

If you are unable to follow these safety precautions or do not have the school issued car tag displayed, you will need to plan to pick up your student after 3:15, when car line ends.

DO NOT TURN LEFT WHEN LEAVING THE PARKING LOT.
